In this groundbreaking new book, historian Allan Nevins examines Lincoln's role as Commander-in-Chief during the Civil War. Nevins argues that Lincoln was a brilliant strategist who played a key role in the Union's victory.

Nevins begins by describing the challenges that Lincoln faced when he took office in 1861. The Union was on the brink of collapse, and the Confederacy was rapidly gaining ground. Lincoln had to quickly assemble

an army, a navy, and a supply chain. He also had to deal with the political pressures of the war.

Despite these challenges, Lincoln proved to be a gifted strategist. He made a number of key decisions that helped the Union to turn the tide of the war. For example, he Free Downloaded the blockade of the Confederate ports, which cut off the Confederacy from much-needed supplies. He also Free Downloaded the invasion of the Mississippi River, which split the Confederacy in two.

Lincoln's strategic decisions were not always popular. He was often criticized for being too slow to act. However, Nevins argues that Lincoln's caution was justified. He wanted to avoid unnecessary bloodshed, and he wanted to make sure that the Union would be victorious.

In the end, Lincoln's strategy was successful. The Union defeated the Confederacy, and slavery was abolished. Lincoln's role as Commander-in-Chief was a major factor in the Union's victory.

Abraham Lincoln As Commander In Chief is a fascinating and insightful look at one of the most important figures in American history. Nevins's book is a must-read for anyone interested in the Civil War or in Lincoln's presidency.

Here are some of the key takeaways from Nevins's book:

- Lincoln was a brilliant strategist who played a key role in the Union's victory.
- Lincoln's strategic decisions were not always popular, but they were ultimately justified.

- Lincoln's caution was justified.
- Lincoln's role as Commander-in-Chief was a major factor in the Union's victory.

If you are interested in learning more about Abraham Lincoln or the Civil War, I highly recommend reading Abraham Lincoln As Commander In Chief.
