Breech birth is a topic that can cause anxiety and uncertainty for expectant mothers. But it doesn't have to be. With the right knowledge and support, you can navigate a breech birth with confidence and make informed decisions about your care.

That's where Nicole Galan's book, **\*\*Breech Birth\*\***, comes in. This comprehensive guide provides everything you need to know about breech birth, from causes and risks to treatment options and delivery methods.

### **What You'll Learn in This Book**

- The different types of breech presentations
- The causes and risk factors for breech birth
- The potential risks and benefits of vaginal breech birth and cesarean birth
- The treatment options available for breech birth
- How to choose the right care provider for your breech birth
- What to expect during a breech birth

- How to care for your breech baby after birth

## **Why You Need This Book**

If you are expecting a breech baby, this book is an essential resource. It will provide you with the knowledge and support you need to make informed decisions about your care and your baby's birth.

**\*\*Breech Birth\*\*** is also a valuable resource for healthcare providers who care for women with breech presentations. It provides evidence-based information and practical guidance on the management of breech birth.

## **About the Author**

Nicole Galan is a certified nurse-midwife and international board-certified lactation consultant. She has over 20 years of experience in women's health and has helped hundreds of women through breech births.

Nicole is passionate about providing women with the information and support they need to make informed decisions about their birth. She is a strong advocate for vaginal breech birth and believes that all women deserve to have a safe and respectful birth experience.
