Print length : 32 pages

Screen Reader : Supported

Froggy Learns To Swim by Jonathan London is a delightful and educational children's book that teaches young readers about the importance of facing their fears and never giving up.

Froggy is a little frog who is afraid of water. He loves to play on the lily pads and watch the other frogs swim, but he's too scared to get in the water himself. One day, Froggy's friends decide to teach him how to swim. They start by showing him how to float on his back, and then they gradually help him to learn how to paddle and swim.

At first, Froggy is terrified. He splashes and kicks and tries to get out of the water. But his friends are patient and encouraging, and they help him to overcome his fear. By the end of the story, Froggy is swimming all over the pond, and he's even teaching his friends how to swim!

Froggy Learns To Swim is a beautifully illustrated book with a heartwarming story. It's a perfect book for young children who are learning to face their

fears, and it's also a great book for teaching children about the importance of friendship and perseverance.

What Parents and Educators Are Saying About Froggy Learns To Swim

"Froggy Learns To Swim is a wonderful book for teaching children about the importance of facing their fears and never giving up. My son loved the story, and he was so excited to learn how to swim after reading it!" - **Parent**

"Froggy Learns To Swim is a great book for teaching children about water safety and the importance of learning how to swim. I use it in my kindergarten class every year, and the children always love it!" - **Educator**
