Known only as "Hip Hop's Helen of Troy," the author has been the subject of much speculation and gossip over the years. But now, she's ready to set the record straight. In her new book, she tells her story in her own words, revealing the truth about her relationships with some of the biggest names in hip hop.

The book is full of juicy details and shocking revelations. She talks about her first meeting with Nas, and how their relationship quickly turned into a

passionate love affair. She also discusses her relationship with Jay-Z, and how she became entangled in the feud between him and Tupac.

But perhaps the most shocking part of the book is her account of the night Tupac was shot. She was there that night, and she saw everything. In her book, she reveals who she believes was responsible for Tupac's death, and why.

Hip Hop's Helen of Troy is a must-read for anyone who loves hip hop or who is interested in the behind-the-scenes drama of the music industry. It's a shocking and revealing tell-all that will leave you on the edge of your seat.
