

Portents Alpha Colony: A Thrilling Sci-Fi Adventure by John Walker

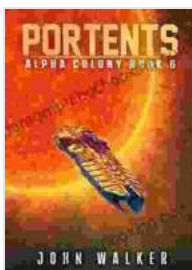

Synopsis

In the year 2245, humanity has colonized the distant planet of Alpha Centauri. But as the colonists struggle to survive in this harsh new

environment, they face a threat that could destroy their entire world.

A mysterious alien force has arrived on Alpha Centauri, and they are intent on conquest. The colonists are outnumbered and outgunned, and their only hope is to find a way to defeat the invaders before it's too late.
