In her powerful and inspiring memoir, *Still Here*, author Jane Doe shares her extraordinary journey of self-discovery and triumph.

From a young age, Jane felt like an outsider. She was the only black child in her small town, and she was often teased and bullied for her skin color. As she got older, she struggled with her identity, never feeling like she truly belonged anywhere.

After graduating from college, Jane moved to New York City in search of a new beginning. But her hopes of finding acceptance were quickly dashed when she was met with racism and discrimination. She was passed over for jobs, harassed on the street, and made to feel like she was less than everyone else.

But Jane refused to give up. She drew on her inner strength and resilience to overcome the challenges she faced. She started her own business, found love and support from a community of friends, and eventually learned to embrace her own unique identity.

Still Here is a story of hope, courage, and the power of the human spirit. It is a must-read for anyone who has ever struggled with their identity, faced adversity, or simply wants to be inspired by a truly remarkable woman.
