The Second Edition of the Peterson Field Guide to Birds of North America builds upon the legacy of the original classic. Featuring the latest scientific advancements and cutting-edge ornithological research, this updated guide enhances the already exceptional field guide experience.

Exquisitely Detailed Illustrations

The guide boasts stunning illustrations that bring each bird species to vibrant life. Renowned artist Roger Tory Peterson's meticulous artwork faithfully captures the intricate details and characteristic postures of North American birds. These highly accurate depictions aid in instant recognition and enhance the overall visual appeal of the guide.

Extensive Coverage

Immerse yourself in the unparalleled diversity of North American birds, with the Second Edition covering a total of 720 species. From the majestic Bald Eagle to the tiny Ruby-throated Hummingbird, this comprehensive volume provides a thorough representation of the avian inhabitants of the region.

Enhanced User Experience

Beyond its scientific accuracy and artistic excellence, the Peterson Field Guide to Birds of North America, Second Edition, places a strong emphasis on user experience. Its innovative features contribute to a seamless and enjoyable field guide experience.

Clear and Concise Descriptions

Accompanying the stunning illustrations are succinct yet informative species descriptions. These descriptions encompass key identification characteristics, range maps, and behavioral insights, offering a multifaceted understanding of each bird species.

Intuitive Organization

The guide's logical organization allows for quick and easy reference. Birds are grouped by family, with each entry presenting a consistent format for straightforward species comparison and identification.

Durable and Portable Design

This field guide is designed to withstand the rigors of outdoor use. Its durable construction ensures its longevity, while its compact size makes it a convenient companion on any birding adventure.

Unveiling the Avian World

Armed with the Peterson Field Guide to Birds of North America, Second Edition, you will:

* Enhance your bird identification skills with unparalleled accuracy *

Discover the fascinating behaviors and habitats of diverse bird species *

Expand your knowledge of the captivating world of North American

avifauna * Elevate your outdoor experiences by connecting with the beauty and wonder of nature's feathered wonders
