In 1969, 19-year-old Michael Kelley was a combat medic in Vietnam. He saw things that no one should ever have to see. He came home from the war with PTSD and nightmares that haunted him for years.

In 2019, Michael returned to Vietnam for the first time since the war. He wanted to confront his demons and find peace. He visited the places where he had fought and where he had lost friends. He met with Vietnamese people who had been affected by the war.

Michael's journey back to Vietnam was a difficult one, but it was also a healing one. He came to understand the war in a new way. He learned to forgive himself and others. And he found peace at last.

Vietnam Full Circle is a gripping memoir of Michael's journey back to the war. It is a story of horror, healing, and redemption. It is a story that will stay with you long after you finish reading it.
